Happiness

results from that true contentment which indicates perfect health of body and mind. You may possess it, if you will purify and invigorate your blood with Aver's Sarsaparilla. E. M. Howard, Newport, N. H., writes: "I suffered for years with Scrofulous humors. After using two ! .les of Ayer's Sarsapariila, I

Found

great relief. It has entirely restored me to health." James French, Atchison, Kans. writes: "To all persons suffering from Liver Complaint, I would strongly recommend Ayer's Sarsaparilla. I was afflicted with a disease of the liver for nearly two years, when a friend advised me to take this medicine. It gave prompt relief, and has cured me." Mrs. H. M. Kidder, 41 Dwight st., Boston, Mass., writes: "For several years I have used Ayer's Sarsaparilla in my family. I never feel safe,

At Home

without it. As a liver medicine and general purifier of the blood, it has no contal." Mrs. A. R. Allen, Winterpock, Va., writes: "My youngest child, two years of age, was taken with Bowel Complaint, which we could not cure. We tried many remedies, but he continued to grew worse, and finally became so reduced in fiesh that we could only move him upon a nillow. It was suggested by one of the doctors that Scrofula might be the cause of the trouble. We procured a bottle of

AYER'S Sarsaparilla

nenced giving it to him. It surely worked wonders, for, in a short time, he was completely cured."

Sold by all Druggists. Price \$1; Six bottles, \$5. Prepared by Dr. J. C. Ayer & Co., Lowell, Mass., U. S. A.

ORDER OF PUBLICATION. STATE OF MISSOCEL, 188.

In the Great Court, August Term, 1987. Nancy A. Munson, plaintiff.

Nancy A. Munson, plachtift.

Reni-sa Vimson, defendant,
At sing tot day of July, 1881, consect the plathtiff herein, by her attorner, T. C. Dun, an, betore the ender-igned electron and affid out, alleging, among other times, that defendent is
not a resident of the et., i.e.o. Missouri and connot be summ used in this nettern.

Whereupon, it is notlessed by the said electr,
that said defendant be notified by publication
that planning has commenced a soil against
left in the court by petition, the oldest and general nature of witch is that planning seeks to
be divorced from the local of matramony conerai nature of which is that plaintiff seeks to be diverged from the bonds of matramony con-tracted with detendant on the divider of fee-ruary, 1876, on the grounds of creek and barrar-ous freatment and the offering of such indigna-ties to plaintiff as to render her condition inties to plaintiff as to render her condition in-bolerable, and that her mane be changed to that of her marden mane, Nancy A. Hanter, and that unless the said fleuben Manson, be and appear at this court, at the next term thereof, to be begun and holden at the Court House in the City of Oregon in said County, on the 2nd day of August next, and on or before the sixth day of said term, if the term shall so bug con-tinue—and if not, then on at before the first day of said term—anyon or before the first day of said term—anyon or before the first day tinne-and if it it, then our is before the first day of said term - asswer or plend to the petition in said cause, the same will be taken as confessed, and prognent will be readened accordingly.

And is further ordered, that a court hereof the published, according to law, in the Horr COUNTY SEXTINE, for four successive weeks the fast recent order to the not less true four was ket before the 22rd day of Aurisa; 18 it.

A true copy from the record witness my hand, and pronounced it first rate.

FROM THE HOSPITAL." "Yes," said the Rev. Mr. Dibble, "I

know I could depend upon the hospitality of my flock to entertain this excel lent young divine, seeing that my own household is in so disorganized a condition, owing to the exigencies of clean ing house. It will be only for a night or two, and we all know what is promised to those who receive the angel mawar-

And Mr Dibble rabbed his hands and looked smitingly ground upon the members of the Young Ladies' Aid Association, whele a very perceptible murmur of assent rose up from this aggregate collection of carl, bangs, frizzed hair,

and crimped laces. Not a damsel in the number but would gladly have extended her gracious hos pitality to the Rev. Felix Amory, who was to preach a sermon in aid of lome Helps and Missions" at the village church upon the coming Sanday even-

"I'm sure," said Miss Lidia Larkspur, promptly anticipating the crisis, "papa would be most happy to receive the gentleman!"

While all the other ladies looked indionantly first at Miss Lidia then at each other, and whispered. "Bold | thing!"

"Most kind of you to promise it, I am sure," said Mr. Dibble, and so the matter was settled, not at all to the general satisfaction.

And Lidia Larkspur went home, and is-ned orders that the parlor curtains should be washed and ironed, and a pound-cake of the riches' nature con-

While Kate Duer, the doctor's sister, who was as fond of young clergymen as Ladia herself, and would in no wise have objected to varying the monotony of her home life with a spice of ecclesiastical novelty, returned to her crochetwork with a yawn and a general impression that li e was a bore.

"We are to have a young lecturer from the city in the church on Sunday evening." she said to her brother when he bustled into dinner.

"Eh?" said Dr. Duer, swallowing his scalding sunp; "are we? By the way, Kale, there's a new case of small-pox reported among those hands on the railway embankment."

"Dear me!" said Kate, who was compounding a refreshing salad in a carved wooden bowl; "I hope you keep well vaccinated, Hugh " "Oh, there's no trouble about 11-at!"

said the doctor; "only the other patients in the hospi al object to such a mler, case."

"I should think it very likely," said Kate, with a little move.

"I must try to isolate him some where," said Dr. Duer thoughtfully.

D. S. ALKIPP, Circuit Clerk,

Inteherville was all on the qui vive that day when the double shotted piece of tidings flew, on the tongue of popt actual small-pox case in their midst, and a young minister coming all the way from New York to appeal to their sympaties on behalf of home mis-

"I wonder if it is contagious!" said old Mrs. McAdam, looking very round eyed through her spectacles.

"Contagious!" and Mrs. Emmons wit ought to find its way into every home in our vill ge "

"What!" cried Mrs. McAdam: "the small-pox!"

"No: certainly not," said Mrs Emmons; "the sympathetic movement in tayor of home missions."

against which the famous Jenner waged so successful a warfare, was much treubled in her min 1.

"I've always had a sort of premoni tior that I should fall a victim to the are small-pox," sighed she. "I only wish pa would let me be vaccinated!"

It was on a sultry August evening the s'.y full of lorid clouds, the air chargeds with glatering a rows of electricity and the big drops beginning to knock the more signed Cork of Sin Court, and his petition and afflowed, alleging, among at Miss Lidia's door—a most my steriou things, that the derendant Lewis Britson, that the derendant Lewis Britson, at Miss Lidia's door—a most my steriou at Miss Lidia's

"Who's there?"said Miss Lidia,open ing it sufficiently to obtain a glimpse of a tall pale man with pocket hankerchief folded turkanwise around his

Mrs. Printemps lived in the next house-a picturesque cottage, overhang with Virginia-creepers, with a li'tle plaster cast of Copid in the garden and a great many bluebel's and carnations -a young widow who read all the newest books and sometimes wrate gushing peems for the second rate month-

Mrs. Printemps in agined herself like the gifted and unfortunate Mary Queen of Scots, and dressed up to the part, as far as nineteenth century prejudices would allow her-and she was seated by the casement, trying to find a rhyme to sui: a most unaccommodating line of poetry, when the tall pale stranger appeared under her window, "for all the world,"as Mrs. Printemps subsequently expressed it, "hke a troubador, or David ten cents. Rizzo bimself."

"Excase me, madame," he began, but I am from the hospital, and "My goodness me!" ejaculated Mrs.

Printemps, jumping to her feet; "how dare you come here and tell me that to my face? Why don't they isolate
